ANGEL MAE QUIROG
SUNOGAN

UI/UX DESIGNER

I am a skilled UI/UX designer with a passion for creating user-friendly digital experiences. My goal is to craft designs that not only look good but also make it easy for people to use websites and apps. With a keen eye for detail and a focus on user needs, I strive to make technology accessible to everyone.

EXPERIENCE

E-Commerce Website

Role: Lead Frontend Developer

Developed the frontend for an e-commerce platform selling fashion accessories.

CONTRIBUTIONS:

- Developed the frontend using HTML, CSS, and JavaScript to create an interactive and visually appealing layout.
- Implemented smooth page transitions and animations for a modern user experience.
- Ensured responsiveness for optimal viewing across devices.

Outcome: Received positive feedback from visitors and prospective clients, leading to new freelance opportunities.

AWARDS

2015-2022

Presented By: Web Developers Association

Recognized for outstanding contributions to frontend development, including innovative website designs and user interface enhancements.

DETAILS

Awarded for designing and implementing a user-friendly interface for a high-traffic e-commerce platform, leading to a 25% increase in user engagement and a 20% boost in sales. Recognized for exceptional attention to detail and commitment to delivering exceptional user experiences.

CERTIFICATION

2024

Frontend Developer

Hi there! I'm a Frontend Developer with a passion for making websites look great and work smoothly for users. I specialize in the part of website building that you see and interact with, like buttons, menus, and layouts.
